S H A F I A ®

Shafia Food Company specializes in the production and processing of high-quality honey products. Since our establishment in 2019, we have been dedicated to providing the best honey products to our customers.

Working closely with local beekeepers, we source the finest honey and utilize modern technology for processing and packaging. Our commitment to sustainability and the environment is a fundamental value of our company, and we prioritize minimizing our impact on the environment.

**CRAFTED BY NATURE,
NURTURED BY GENERATIONS**

– EVERY DROP TELLS A STORY.

S H A F I A ®

From The Desk Of Director

Shafia Food Company has been delivering high-quality honey since 2019. We work with local beekeepers to source pure honey and use advanced processing and packaging methods. Sustainability and environmental responsibility are at the heart of our mission

"At Shafia, our mission is simple: to provide you with products that nourish both body and soul, while preserving the integrity of our environment."

– Founder & CEO

I G KADIWALA

*Honey Benefits are commonly observed benefits. Actual Results may vary from person to person. This product supports general well-being.

From Hive To Heart, Pure And Natural, Shared With Love

– NATURE'S SWEETEST GIFT, IN EVERY DROP.

OUR VISION

We aim to bring nature's purest honey into every home, inspiring wellness through sweetness and harmony.

OUR MISSION

To deliver 100% pure, responsibly sourced honey that builds trust, promotes health, and connects people with nature.

OUR PROMISE TO GROW

We grow with nature and farmers, committing to sustainability, quality, and a healthier future

100% PURE | 100% NATURAL | 100% LOVE.

Our story began with a single promise: to deliver honey the way nature intended—untouched, unspoiled, and full of life. Today, we carry forward this promise with care, quality, and a deep respect for the bees who make it all possible.
